

## **VERY IMPORTANT INFO**

As from the 7<sup>th</sup> May 2008 we will be using East Hanningfield village hall which is next to the school in the village.

We will be hiring the hall from 6.30pm to 9.30 pm throughout the months of May, June, July and August.

This will bring us some significant advantages:-

- Car parking
- Toilets
- A hall to change in
- Refreshments after the event

There is also a playground and a field next to the hall that your children may use.

We will be using the same roads as the current course but with a different start and finish.

We will be starting at the junction of East Hanningfield Road and Back Lane and the finish will in Old Church Rd as you enter the village.

I will produce a map of the course and a recommended route to the start.

On finishing please proceed to the hall.

The results will be brought to the hall where refreshments will be available.

Regards

*Mick Scott*
